

OUR MISSION:

The Greater Colorado Venture Fund (GCVF) is pioneering venture capital for Rural America. Where some overlook, we see opportunity. GCVF exists to serve entrepreneurs building growth companies located the rural communities of Colorado.

WHO DO WE INVEST IN?

We invest in founders who are dedicated to building their business from the community that they have chosen to be a part of. This means that companies are / have:

- Headquartered or have significant operations located in Rural Colorado
- At least two full-time employees based in Rural Colorado
- Are committed to being located in Colorado for at least 5 years
- Are seeking their first round of institutional or "growth" capital funding
- Are serving customers well beyond the company's locality, or is raising funds to scale to serve customers beyond the company's locality
- Begun generating revenue
- Proven that customers will pay for their product

THE NUMBERS BEHIND GCVF

\$100k	Minimum Investment Size	\$300k	Maximum Investment Size	\$15M	Total Fund Size
40-50	Expected Number of Investments		Limited Funds Reserved For Follow-On Investments		

WHO ARE WE?

CORY FINNEY | PARTNER

MARC NAGER | PARTNER

First and foremost, we are entrepreneurs ourselves. We have extensive networks across the country and a strong history supporting entrepreneurs and the ecosystems that help them thrive. We've helped run top-tier accelerator programs and have been on both sides of the investment conversation. The Greater Colorado Venture Fund exists to pioneer venture for Rural America.
