### **Investment Process**

#### **Online Submission**

Visit the website below and fill out the requested information as completely as possible. Be sure to attach a business plan and/or an executive summary.

[www.advantagecap.com/business\\_plan\\_form.htm](http://www.advantagecap.com/business_plan_form.htm)

Your business plan should include the following:

- Company overview
- Product and Services
- Market Analysis
- Management
- Competitive Analysis
- Financial projections
- Capitalization Table/Ownership

**Due Diligence**

All submissions will be reviewed, but please allow up to three weeks for the review process. If your venture is a potential fit with Advantage Capital, we will contact you to discuss the business in more detail.

Please note that investment decisions are made by a group of individuals rather than one single person. Due to this, the due diligence process may include multiple exchanges, phone calls and emails before a decision is reached.
