

RTAP IMPLEMENTATION

RURAL TECHNICAL ASSISTANCE PROGRAM

WHAT

The Rural Technical Assistance Program (RTAP) is a series of technical assistance initiatives offered by the Colorado Office of Economic Development and International Trade (OEDIT) to enhance rural economic development strategies across the state. The program leverages state partnerships and specialized resources to foster community-driven economic diversification in interested regions throughout Colorado.

INITIATIVES

Creativity Lab of Colorado
Coworking 101
CRAFT Studio 201
Certified Small Business Community
Community Placemaking
Grow Your Outdoor Recreation Industry Initiative
Film Festival Initiative

HOW TO APPLY

Local economic developers or qualified organizations will apply on behalf of a community or region and will need to demonstrate local support. If you are interested in a RTAP initiative, connect with the organization leading your local economic development efforts.
